

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. ## EXHIBIT A.

## STATEMENT OF THE BONDED DEBT OF ALABAMA.

The entire bonded debt of the State of Alabama amounts to nine millions and fifty-seven thousand dollars, and is composed of bonds of the classes and descriptions following, to-wit:

Description.	Amt. at Issue.	Annual Int.
<p>Class A Renewal Bonds, issued July 1, 1906, due July 1, 1956 for \$1,000 each, under an act approved Feb. 18, 1895, and an act amendatory thereof approved February 10, 1899, and validated by the Constitution of the State of Alabama Nov. 28, 1901, with coupons attached for interest payable semi-annually to-wit: on Jan. 1, and July 1, at the rate of 4 per cent. per annum. Both bonds and coupons payable at the Financial Agency of the State of Alabama in the city of New York in coin of the standard value of the United States of America. Said bonds are numbered 1 to 5382 inclusive and 5384 to 7138, both inclusive, being a total of 7137 bonds at \$1,000 each. Bond No. 5383 was spoiled by misplacement of official signatures and was therefore destroyed and never issued-----</p>	\$7,137,000 00	\$285,480 00
<p>Class C Renewal Bonds Issued Jan. 1, 1906 due January 1, 1956, by authority of same acts as that of Class A described above, with coupons for interest payable semi-annually, January 1, and July 1, at the rate of 3 1-2 per cent. per annum, payable at the Financial Agency in New York in coin as in the case of Class A. Said bonds are numbered 1 to 966, making 966 of \$1,000 each -----</p>	966,000 00	33,810 00

## STATEMENT OF THE BONDED DEBT OF ALABAMA—Continued.

Four per cent. Funding Bonds (In redemption of 5 per cent. bonds), Issued under act of Feb. 27, 1887, and amended Feb. 27, 1889, and dated Jan. 1, 1890, interest payable semi-annually January 1, and July 1, in New York or State Treasury, numbered 1 to 854 of \$1,000, \$854,000.00;

1 to 200 of \$500.00-----	\$100,000.00	954,000 00	38,160 00
Total -----		\$9,057,000 00	\$357,450 00

## ARTICLE XI.

213. After the ratification of this Constitution, no new debt shall be created against, or incurred by this State, or its authority, except to repel invasion or suppress insurrection, and then only by a concurrence of two-thirds of the members of each House of the Legislature, and the vote shall be taken by yeas and nays and entered on the Journals; and any act creating or incurring any new debt against this State, except as herein provided for, shall be absolutely void; provided, the Governor may be authorized to negotiate temporary loans, never to exceed three hundred thousand dollars, to meet the deficiencies in the Treasury, and until the same is paid no new loan shall be negotiated; provided further, that this section shall not be so construed as to prevent the issuance of bonds for the purpose of refunding the existing bonded indebtedness of the State.

## NOTICE.

To holders of coupon bonds, who may wish to have the same converted into registered bonds, or who may wish a transfer of the registered bonds, must present the same at the State Treasury for that purpose at least ten days before the first days of January and July of each year; thereby enabling the Treasurer to issue and properly distribute checks for the semi-annual interest accruing on said bonds on the respective dates named.
